

To Request Payment by Automatic Account Transfer

The payment of water and sewerage charges can be made by automatic account transfer (automatic payment system) from the bank account upon request.

【Benefits of Paying by An Account Transfer】

- ◇Free (Registration and transfer fee are free of charge)
- ◇Easy (One-time procedure)
- ◇Convenient (You can save time on payments)
- ◇Secure (There are no worries about forgetting to pay)

◎Please note the following when requesting.

▪It takes about 1 to 2 months to complete the procedure. Please pay at the following financial institution, convenience store or Payment Division (Toyota City Hall, West Bldg. 1F) using the payment slip that will be sent to you until the automatic transfer service starts.

▪After filling out the automatic account transfer request form, put a personal information protection seal on it and drop in a mailbox. There is no need to affix postage stamps.

▪If you have any questions, please contact us at the following division.

How to fill in Automatic Account Transfer (Automatic Payment)

• Check the information of the financial institution, such as name, branch, account number in your passbook and make sure to fill in the correct information. Please use a ballpoint pen.

• If you make a mistake, draw a horizontal double line and affix personal seal [INKAN] (the same seal used to open the bank account in question) over the correction and write down correctly in a blank space so that it is legible.
